Thanks Cassie! I'll touch base with Lisa about June 4<sup>th</sup> or 5<sup>th</sup>.

Let's wait till we all get together with Katy before making a decision about adding other groups. Does that sound ok?

And thanks for all your work in Pueblo.

Alyssa

Hey again,

I know it is a Saturday but I wanted to briefly follow back up. I do believe a small stakeholder group at CEA would be a productive conversation. I currently have open June 4<sup>th</sup> and 5<sup>th</sup> any time after 2:00. Let me know if this works for CDE staff. I could also invite others that you think are relevant to the ground floor conversation, I just want to make sure those working regularly on the ground floor are present. Perhaps "Climb Higher Colorado," as well...

I had a very interesting day at Heroes in Pueblo yesterday with many one-on-one conversations with a dedicated staff that seemed to really value their school

leadership! They have had some turn-over due to a threat to close down the elementary school last year but sounds like the current staff are feeling positive about their direction... now if we can just settle this strike next week quickly!
